“We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands.”

**Week 2 Term 4 Awards**

Shaniquea Roberts Welsh  
Ashana McGregor Shaw  
Maddy La Macchia  
Pheobe Hensen  
Freja McGregor Shaw  
Harry Smith  
Steven Blume  
Stella Maddock  
Raymond Welsh  
Ava Maddock

**Silver Award**

**B.J. Crowther**

**2-6 Classroom**

What a lovely first week back!

I would like to say a very warm and friendly welcome to Miss Mitchell, a final year practicum student from Southern Cross University. Miss Mitchell will be joining our 2-6 class for six weeks and during this time she will be collaboratively planning and teaching a variety of lessons.

Using a range of materials to create an aerial view of Lismore, both past and present. It would be greatly appreciated if you could send in any scraps of fabric, wool, lace, cotton, buttons, seeds or beads to assist us in our artworks. Please send these items with your child or drop them into our office to add to our collection.

**Gurraman**

This week Gurraman are exploring the text type explanations. The students are confident in sharing verbal explanations about daily tasks and will be working towards writing them using the correct format.

Students are spending this week exploring different strategies to solve addition problems. So far students have used a number line and the jump strategy as well as doubling numbers, bridging to ten and will be spending the remainder of this week on other mental strategies to improve their speed and accuracy when adding numbers.

Regards Mrs Davies.

**Home Class**

This term for art we will be creating a multitude of images portraying Lismore. In one particular artwork we will be
K-2 Classroom

Gargoon

Gargoon literacy group are looking at narratives (story writing) over the next few weeks. Students are being asked to sequence stories from pictures and communicate these verbally. Students will be making their own narratives using pictures to tell a story then finally adding in words to match (much like a comic strip).

Gargoon mathematics group are currently looking at fractions and how we can divide objects and pictorial representations into equal halves. We are also looking at how we can share out collections of objects into equal halves.

For sport we are developing our basketball skills; dribbling, passing and shooting. Malekin showed exceptional skill last week when he was able to shoot two baskets in a row!

We are also exploring the elements of drama, and last week we looked at how we can use our bodies and to convey meaning. We had a great time being cats, dogs, kangaroos and snakes. We also experimented with mime and how we could mime people in the community (fireman, police officer, vet etc.) I found it very interesting to see my students miming a teacher…I really need to smile more! This week we look at freeze frame –Tableau.

Regards Mr Mack

Kindergarten Orientation

Prospective students for Kindergarten 2014 are invited to attend 4 Orientation sessions at our school.

Students will be invited into the classroom and participate in class activities for the morning session.

Session 1       Wednesday 13 November 2013        9:00am to 11:30am

(Includes a parent meet and greet)

Session 2       Wednesday 20 November 2013        9:00am to 11:30am

Session 3       Wednesday 27 November 2013        9:00am to 11:30am

Session 4       Wednesday 4 December 2013         9:00am to 11:30am

Children are invited to bring along their morning tea and enjoy recess with the rest of the school.
