Tom Cochrane-Byrnes

James Hamilton  
Dwayne Kelly  
Elise Troman  
Pheobe Hensen

**Bronze Awards**

Jakequan Roberts Welsh  
John Kendall  
Logan Randall  
Raymond Welsh

**Principal’s Report**

Parent /Teacher interviews are taking place this week. If you have not booked a time with your child’s teacher or had to miss an appointment, please call the school and make a time. The students are looking forward to receiving their reports as they have all worked very hard this semester and we are very pleased with their results.

**2-6 Classroom**

There is no cost. We will be walking to Heritage Park and catching the shuttle bus to the showground. Please ensure you sign and return this permission note as children cannot attend without it.

Have a safe, restful holiday and we look forward to seeing all the children return on Tuesday 16th July

**Gurraman Literacy**

Gurraman spent this week revising the structure of a procedure and we decided we would create a disgusting recipe as a class. The students were very eager to add their revolting ingredients to create a stew which consisted of kitty litter, brussel sprouts and fish gizzards. I have to say, although our creation left no one mouth-watering for recess, I was very happy with their contributions and the end result.

This week we hope to finish our tasty food procedures and put them into a recipe book for the students to take home. We are also hoping to put one of the recipes to the taste test on Friday.

**Lismore NAIDOC Celebrations**

The school has been invited to attend the Lismore NAIDOC Celebrations on Thursday. A note went home on Friday to give permission for your child to attend.
This week students have been revisiting the concept of fractions. Students have been using concrete materials to represent parts of a whole. Year 2 have been focusing on the different ways to represent halves and quarters, while Year 3 and 4 have been looking at equivalent fractions.

The students have been busy recreating an appropriation of a Sidney Nolan artwork. They have been using new painting techniques to create their backgrounds and the artworks are looking fantastic!

Regards Mrs Davies.

We have been doing role plays to explore appropriate strategies to solve social problems we might encounter in the playground. Students were asked to perform and provide appropriate solutions to three possible problems:

1. “Someone you are playing a game with is not playing fairly and not taking it when they are out.”
2. “Someone calls you a nasty name.”
3. “You want to join in a game but when you ask you are told to go away.”

This week Year 1 and 2 students will be tested on their knowledge of 2D space.

We have also painted our clay sculptures and they will be on display on Friday from 2:30 pm. We will be sending out invitations this week as we have been experimenting with Microsoft Word and publishing.

Thank you to all parents who have scheduled a meeting time this week. Your input and advice is a valuable part of your child’s education. I hope that the feedback you receive on your child’s progress is helpful.

This week we are selecting students for track and field events for next term’s small school’s athletics carnival. This year’s carnival is in Week two of Term 3 (Friday July 26th) at Tregeagle.

Wishing you all a safe and fun filled holiday break!

Regards Mr Mack.

Elliot is a nguthung.

Elliot and the children’s work on the mural is almost finished and it is looking spectacular!
