Malekin Rix Harry Smith

Principal’s Report

Performing Arts Festival

It is just over a week to go to our Performing Arts Festival. The students are very excited and practising. We have almost all our costumes in. You would have received a note yesterday outlining the details for the night. Like last year, the children will stay at school and have a play outside, have a sausage sizzle for dinner and then have a dress rehearsal before catching the bus at 6pm to go to the Workers Club.

The cost is $10.00. Please pay this as soon as possible as the money is needed to buy the food for dinner. Tickets are on sale at the Workers Club and are selling fast.

If you have not returned your parent/student agreement (attached to the costume note) please return it to school this week. Students must have this signed before they take the stage. We look forward to seeing you all there.

National Partnerships Survey

Thank you to all those parents and community members who filled out our survey. We have gathered some valuable information about our programs from your feedback. The winner of our $50.00 Kmart gift card is Peter Sivewright. It can be collected from the office.

Lost Property

We have a number of clothes sitting in the performance area that apparently do not belong to anyone. They will stay there until the end of this week. If your child has lost any clothing please come and check to see if it is here. At the end of the week all items not collected will be recycled.
Congratulations to the students who represented Albert Park at the Northern Rivers Basketball Challenge at the Lismore Basketball Stadium yesterday. Outstanding sportsmanship and basketball skills were displayed by all who attended, ensuring a wonderful day for all participants.

Students also enjoyed attending the Careers Expo last Tuesday at Lismore South Public School.

Thank you to everyone who has been bringing in their recyclables. We now have more than enough to design and make our musical instruments, so thank you for your contributions. I look forward to sharing the students’ creations in the weeks to come.

Just a reminder to parents, please check that your child is up to date with their homework. Some students are forgetting to do their work and are now expected to hand in their homework books with three weeks of homework glued in by this Friday.

Regards, Mrs Davies.

A special welcome to Albert Park for three new students: Jesse (Yr 6), Steven (Yr 1) and Torlea (Kinder).

This week Gargoon Maths group are looking at repeated patterns of sound, movement, objects and numbers.

Home class are investigating wind (weather) for science this week. What causes it, how it is measured and how it can affect our daily lives.

It is also Book Week and the theme for this year is ‘Read across the Universe’. Thank you to Mrs Connor for organising a range of activities to match some of the books which were officially shortlisted for this year. The Lismore Public Library also is celebrating this year’s Book week with activities all week.

This week Gurraman will publish their first guided information report. The students are very eager to begin their independent writing about an animal of their choice.

Homework will be sent home again today. Thank you to the students who have returned last week’s homework on time, these students will have their new homework glued into their books ready for return on Friday.

Home readers to be exchanged daily, Library returns and Fine Motor folders to be exchanged on Wednesday.

Regards, Mr Mack.
# Term 3

**P&C Meeting**

**Thursday 22nd August 5.30 pm**

**Staffroom**

**All Welcome**
