There was once a pig on a farm
He rolled in the mud like a charm
He got out off the mud
And his owner called Hud
Yelled “you muddy pig get off my farm
By Emily

There was once a boy from Gooey Land
Who wanted to play in a band
He went to the beach
He got bit by a leech
So he played his drums in the sand

K/1 Prac Student

We would like to welcome Miss Lauren Currie. Lauren is currently studying her undergraduate degree in Primary Education as a teacher in training. During Term 4 Lauren will be working in K/1 as a training teacher. Lauren is currently in her 3rd year of teaching at Southern Cross University.

“My beliefs of how I want my teaching to occur is in a fun, hands on learning environment, as my motto is “Play learn and grow together”. 
Week 2
We are experiencing beautiful weather at the moment and we hope it continues for our swimming next week. We have a pile of lost property at school with jumpers from over Winter. If your child has lost a jumper please come and have a look in our lost property. Please help us by ensuring all your children’s clothes are labelled, especially when we start swimming next week. Keep an eye on the newsletter for upcoming events and please don’t hesitate to contact the school if you have any questions.

Enrol NOW for Kindergarten 2015
Now is the time to be enrolling your children into Kindergarten for 2015. To help children become familiar with the school our Kindergarten Orientation Program commences on Wednesday 5th November and will be held for the following three Wednesday from 9.15 – 11.30 am.

Intensive Swimming Program
Our 10 day swimming program is being held at Lismore Memorial Baths from Monday 20 October until Friday 31 October for 45 minutes each day. The scheme is an intensive learn to swim program of water safety and survival.

The school is subsidising the scheme and we do have some school assistance available for families. All students are expected to attend. Students who can swim confidently will work on stroke correction, learning other swimming strokes and lifesaving skills. Notes have been sent home or more are available at the office if required.

Before School Supervision
Can we remind parents and carers that children should arrive at school between 8.45-9.15am. There is no provision for looking after students prior to these times. For your child’s safety, please ensure that they arrive at school at the appropriate time.

Jennifer Smedley,
Principal

Indonesian Cricket Team:
Albert Park has adopted the Indonesian Cricket Team for the up and coming International Games in Lismore. We are expecting some of the team to come and visit later this term.

Surfing:
Mrs Mack’s surfing program is underway and will continue this term. If you participate remember to bring in your gear and money every Friday.

Regards Mr Mack

RIVERS UPDATE - The Rivers Secondary College and Rivers P-12 Learning Community by John Baker (Executive Principal)

The Rivers Secondary College is progressing with a variety of activities to date. The Rivers Secondary College is made up of the three secondary campuses in Lismore - Kadina High, Lismore High and Richmond River High, which are integral members of the larger Rivers P-12 Learning Community across Lismore and surrounding areas. Our focus across the whole Rivers P-12 Learning Community is to develop increased collaboration with improved student outcomes as our driving agenda. The Rivers P-12 is composed of the three Secondary College campuses - Nimbin Central School, Wilson Park School for Specific Purposes, and 26 primary schools in and around Lismore.

The Rivers Secondary College Year 11 Curriculum patterns are now published and available in each of the secondary campuses. This collaboration means that the vast majority of students gain access to their first choices of subjects being studied for the HSC. These travel arrangements are ONLY for Stage 6 (Year 11 and 12) and NOT for Years 7-10. Years 7-10 students will continue to attend their own school for all of their classes as has been the case up until now. We continue to look at opportunities to increase our collaborations, but students in Years 7-10 are not being transported to access their regular curriculum options. Indeed, there is no current thinking around a senior secondary high campus for ONLY Year 11 and 12 either. The commitment and focus of The Rivers Secondary College is for three individual campuses each continuing to offer high quality comprehensive secondary provision for Years 7-12.

Initial planning is soon to commence to develop a Rivers P-12 Learning Community School Musical production for 2015. There is a lot of enthusiasm for this activity across both the primary and secondary schools which will showcase our students and staff talents and further develop inter-school cohesion.

Working parties in the areas of Student Wellbeing, Transition, Curriculum and Professional Learning are being formed currently as is the final membership of The Rivers Council, a broad based community advisory group. I am more than happy to attend and speak to interested parents and citizens (P&C) groups, interested organisations and to listen to any ideas that are in line with our endeavours to improve our impact on our students’ learning achievements. I can be contacted via Kadina High Campus on 0266 243133 or via john.william.baker@det.nsw.edu.au

Live Out Side the Box

Thank you to the children who decorated the Fathers Day paper which was used to wrap the Fathers Day gifts that were purchased at the stall. I hope that all the mothers enjoyed their gifts.

Have you tried - Live Outside the Box?

This is an interactive, fun, 2 week challenge. The challenge is for all the members of your family to turn off the T.V. and computer games, get outside to move, play and be active. It also means reducing the amount of less healthy foods and replacing them with healthier options.

Points are awarded for –

♦ each physical activity done
♦ turning off the T.V. and moving.
♦ eating a healthy breakfast,
♦ substituting water for cordial,
♦ eating a piece of fruit,

Give this challenge a go, you might be surprised and enjoy it. Give a winner a healthy prize – a play in the park, healthy pizza or maybe a ball to play with etc.
