“We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands.”

4/5/6 Green Class Work

NAIDOC WEEK

Students in 4-6 created artworks to promote reconciliation with-in the class and school. Students traced around hands of Indigenous and non-Indigenous students. They used a range of patterns and designs to decorate their hands.
**Every School Day Counts**

Sending your child to school every day is the most beneficial thing you can do as a parent for your child. Every time a child misses school they miss out on learning new concepts, consolidating friendships, practising knowledge and being in routine. Of course when a child is sick we do ask they be kept home, but this should happen rarely. Please assist us is giving your child every opportunity to be the best they can be by sending them to school every day.

**Careers Expo**

Year 6 will be attending a careers expo at Lismore South Public School next Thursday. Children will be accompanied by Mrs Petherbridge. This is a yearly event and gives the students an opportunity to see and speak to people from many professions. Parents are welcome to attend. Notes will go out on Friday. There is no cost. Travel will be by private car.

**Jenni Smedley,**  
Principal

---

**Rivers Sports Report**

Well done to all students Years 3-6 for your involvement in the first round of soccer, basketball and touch football. All students demonstrated good sportsmanship with the basketballers allowing the other team to score. Thank you to all parents who helped out with transport. We will need help again this Thursday to transport students to the venues again. If you are able to help out it would be greatly appreciated. Students leave school at 9:15am.

Regards Mr Mack.

---

Thankyou to all entrants in the Term 2 Art Competition, where they had to decorate a fish bowl and then decorate Nemo and glue him on the fish bowl. It was very difficult to judge so they all won a participation prize. CONGRATULATIONS TO ALL ENTRANTS.

Term 3 winner of the participation prize was won by Milly. There was only one person who managed to run the 20kms and that was Jakequan, He won a major prize. Keep running/jogging/walking the course because what you have already achieved is added to what you are doing now.

**Live Life Well**

Meat, chicken, fish: When you’re buying, compare cost per serving rather than per kilogram as sometimes a moderately priced protein with little or no waste may be more economical than a very cheap one with more gristle, bone or fat. Cheaper cuts are just as nutritious but may need different preparation methods for maximum deliciousness! Using legumes such as lentils, peas and beans (cans are quick) will extend most stews and casseroles; maintain protein content and increas fibre.

How to Cook Bacon & Eggs
You cook bacon & eggs with a frying pan.

**You need:**
- one carton of eggs
- One kg of bacon
- One frying pan
- One egg flip
- Oil or butter

1. Turn the stove on to 180°C
2. Put the oil or butter, bacon & eggs in the frying pan.
3. Wait for the bacon & eggs to be turned.
4. Then turn them both over using the egg flip.
5. Take them out and put them on a plate.
6. And then you can eat!

How to Make a Paper Mache Planet
**Aim:** to make a model of a planet
**Materials:** newspaper, glue, balloon, paintbrush and paint

**Instructions:**
1. Blow up a balloon any size you want.
2. Lay a sheet of newspaper on the table that you are working.
3. Tear small strips of newspaper and place them in a pile.
4. Dip the paintbrush into the glue and gently spread it on a small area of the balloon.
5. Start placing the bits of newspaper overlapping on the area of the balloon.
6. Then you keep repeating but in different areas of the balloon.
7. Once you have finished the first layer let it dry and do a second layer.
8. Keep repeating instruction until it is a circle shape.
9. Then pop the balloon and make sure it doesn’t break.
10. When it is dry you can paint it whatever colour you want and decorate it.
11. Let your planet dry and then your planet is ready to hang up.

By Freja

Junbung Literacy
Students wrote several different procedures last term. The purpose was to tell how to do something. After composing some of the procedures students followed them to see how accurate their instructions were. They reflected upon the effectiveness of their writing.

**How to play UNO**

**Aim:** To get rid of all of the cards in your deck.

**Materials:** Deck of UNO cards, 2 or more players. (5 years and up to play)

**How to play:**

- Deal 7 cards to each player.
- Place 1 random card in the middle.
- Pick up your cards and have a look at them.
- Player 1 will put one card of the same colour on to the discard pile.
- Player 2 will do the same thing and then all of the other players will do the same in order that they are sitting on.
- Keep doing this until one person only has one card then they have to yell UNO.
- If someone doesn’t shout UNO then someone else can challenge them and they have to pick up 2 cards from the deck.

**Types of UNO cards:**

- There are 4 wild cards: they change the colour.
- There are 4 draw four cards: change the colour of the cards and the next person has to pick up 4 cards.
- There are 2 draw two cards: the person next to you has to pick up 2 cards.
- There are 2 skip cards: with a skip card the person beside them misses a go until it is their turn again.
- There are 2 reverse cards: they change the direction of which way the circle is going.

0-9 normal cards in a UNO deck.

Say UNO if you only have 1 card left in your hand. If you forget to say UNO one of your opponents can say challenge and you have to pick up 2 cards from the deck. If you say UNO out of turn then you have to pick up 2 cards from the deck.

If someone puts down a yellow 9 and you have a blue 9 than you can put it down and the colour will then be blue.
