2/3 Blue in the Classroom

“We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands.”
Performing Arts Festival
Our Performing Arts Concert is drawing nearer. We perform on Tuesday night 26th August. Tickets went on sale yesterday at the Workers Club. The children are all very excited and their dance is looking spectacular. Please send in the items your child needs for costuming as soon as you can. A few of the K/1 parents have let us know you can get very cheap green shirts at Kmart at the moment.

Canberra Excursion
We have heard from our Canberra travellers with Mrs Mack telling us that the children got very little sleep on the way down! I think they all settled down on the bus about 4am!! But on the positive side, they were very tired little campers last night and hit their beds early for a good night’s sleep. According to Mrs Mack they are all still very excited, behaving beautifully and very, very cold.

Happy Day at School
It is wonderful to watch the way our children come to school each day, smiling happy and ready to become involved in their learning. Here are some tips to ensure children have a happy day at school
- Ensure they have a good night’s sleep
- Make sure you and your child get up early enough to have breakfast, get lunch ready, pack a school bag and get dressed in uniform
- Be involved with the school, come up regularly, meet with teachers, offer assistance where you can
- Read notes from school and reply on time
- Listen to your child read
- Phone the school if you need information
These are only little things but will ensure a happy confident child at school

Northern Rivers Basketball Challenge

Congratulations to all the boys who played in the Northern Rivers Basketball Challenge yesterday. Well done to all the boys who demonstrated positive sportsmanship and great skills.

A total of 5 games were played with APPS winning two. The other three games were very close!

We also had a fundamental movement workshop on Monday afternoon with Southern Cross University students organising small group activities for students in K to 6.

Activities were designed to promote active living and games were targeted to improve specific skills.

Unfortunately our Northern Rivers Soccer team was beaten in last Friday’s challenge against Rosebank.

Regards Mr Mack.

Exercise for All

Exercise and food go together; both are needed for healthy development. Just as we need good food to build a healthy body we need exercise for our bodies to develop and reach their full potential.

Walking, swimming and cycling are great forms of exercise. Parents can support a healthy attitude by joining in exercise times such as walking the dog, walking to school, walking to do the shopping, cycling or playing in the backyard or park. Combine a bush walk or swim with a family picnic. It’s a lovely family time together as well as a chance to talk about your child’s thoughts and feelings!
