We would like to respectfully acknowledge the Bundjalung people who are the Traditional Custodians and First Peoples of the Land on which our school stands.

Week 2 and the children have all settled back in to classes and routines. Our literacy and numeracy groups will begin on Tuesday next week and Library the following week. As always we have a busy term ahead. Please check the calendar on the back of this newsletter to see what events are coming up.

Welcome back to a new school year. I would also like to welcome our new students Alex, Ethan, Kayla and Reuben to 4-6. The students are settling in well in their home class and have established new classroom rules. All students have begun the year displaying our 3 school rules by being safe, responsible and respectful. If you have any queries or concerns regarding your child I am able to meet with you before or after school. You can support your child with their learning by helping them with homework and home reading.

Regards, Mrs Mack

Our canteen is available again this year every Friday (thankyou to our canteen manager Tamara for volunteering her time and efforts.) Tamara is looking for people to assist her in the canteen on a roster basis on Fridays. If you have a little time to spare on a Friday, your help would be greatly appreciated. Just a reminder, our canteen does not do a booking system or give credit. All money is banked immediately after canteen finishes. Please ensure you have money at the time of ordering or we are unable to take your child’s order. Thankyou
Be Safe

**Be Respectful**

*We are looking at establishing a “Vision Statement” for our school. At yesterday’s staff meeting the staff agreed on the following statement. Let us know your thoughts and ideas.*

“Albert Park Public School recognizes that each child is an individual; that all children are creative; that all children can succeed. Therefore, Albert Park Public School respects the individual needs of children; fosters a caring and creative environment; and emphasizes the social, emotional, physical, intellectual development of each child.”
