‘Sorry Day’ is an annual event that is held in Australia on 26th May. In 2008, Kevin Rudd apologised to the Indigenous People. His Words were:

“I move that today we honour the Indigenous Peoples of this land, the oldest continuing cultures in human history. We reflect on their past mistreatment.”

By Elise

What is “Sorry Day”?

National Sorry Day is held on 26 May each year to acknowledge and recognise members of the Stolen Generations.

By Dion

Sorry Day gives people the chance to come together and share the steps towards healing for the Stolen Generations, their families and communities. Stolen generations refer to Indigenous Australians who were forcibly removed from their families and communities.

What is Reconciliation?

Reconciliation literally means ‘re-establishing friendly relations’ or ‘healing old wounds’. It’s about acknowledging our cultural history and the devastating and complex relationship Indigenous Australians have had with colonial Australia. It’s also about learning from the past, reshaping the present and making a better future for all Australians. I think reconciliation should not just be celebrated for one week every year - it should happen every day of every year!

Live Life Well

A HEALTHY LUNCHBOX is as easy as 1 + 2 + 3!

REMEMBER – Fresh is always best rather than packaged!

*1 – Bread, roll, wrap, pasta, potato, rice, beans, lentils, quiche, pizza, sushi.

*2 – Vegetables, cheese, meat, fish, chicken, corn or egg.

*3 – Snack – pikelets, scones, yoghurt, pancakes, popcorn, vege sticks, cheese, crackers, fruit loaf, savoury muffin, baked beans or savoury biscuits.

PLUS 2x FRUIT AND WATER

Our local Northern NSW Health District is putting together a series of lunchbox suggestions to take the worry out of what to pack each day.

Thankyou, Mrs P—School Chaplin
**National Sorry Day**

Last Thursday Albert Park hosted the Rivers Aboriginal Art Day. Aboriginal students from all the public schools in Lismore joined our Aboriginal students to create a piece of Aboriginal Art. The students were taken through a workshop by well-known Aboriginal Artist Digby Moran and then based on what they had learnt began their own canvas for their school. The children had a wonderful learning experience and the pieces of art work are excellent. Well done Hanaya, Shaniquea, Dwayne and Jerahkye.

**Lantern Parade**

Albert Park will once again join the crowds of Lismore to participate in the excitement of the Lantern Parade. The Parade will be held on Saturday 20th June. We will be marching and everyone is invited to attend. Our lantern making workshop will be held next Friday 12th June and children wanting to make a lantern to hold in the parade need to fill in the permission note attached and return it to school with the money. Lantern making costs $12.00.

The Lantern Parade activities kick off from 10am at Oakes Oval with concerts and markets, for more information, or to purchase tickets (on sale now), go to Lismore Visitors Center and PowerMax, go online at lanternparade.com, or phone 1800 87 83 87

**Making Friends**

Many parents think that children just automatically make friends when in reality many children have to learn how to make friends just the same as they have to learn how to read and write. Making friends for children is critical to enjoying school and learning. Teaching your child about the importance of making friends is as vital as learning their ABCs. **Children who are on their way to developing a healthy social life and good learning strategies:**

*Have good self-control skills such as sitting still and listening quietly.

*Work easily in small or large groups. Follow directions and cooperate with others.

*If children are happy socially they tend to be more engaged in their learning.

**Ways you can help your children with this are:**

*Guide children to control their impulses.

*Role model good social behaviour, such as turn-taking etc.

*Help your child think of ways to start conversations or games with others.

*Invite other children over for play dates and encourage sharing and talking.

*Speak to your child's teacher if your child is having difficulties making friends.

### Playgroup Update

We have had a great start in the number of children attending due to the enthusiasm of the parents who see the value in having their children participate in a group setting with lots of stimulating and fun activities for them to do.

REMEMBER to spread the word in the community because the MORE the MERRIER and it is great for everybody to meet new people.

Thanks, Mrs P
