Great News – APPS Receives Wonderful Results
Congratulations to all our girls and boys who have worked extremely hard this term and improved their results out of sight. The class teachers and I have been working closely with Miss Coyle under the Early Action for Success (EAFS) Initiative to implement best teacher practice in classrooms and we are really starting to see improvement in our results. Congratulations especially to our kindergarten students who have shown great movement in their reading levels. Well Done!

School Holidays
Holidays begin this Friday for two weeks and school resumes on Tuesday 6th October, Monday being the Labour Day long weekend. Have a safe, happy and restful holiday, ready for another big term.
