In maths Gurruman have been exploring the ten frames through a number of games and hands on activities. We are currently looking at irregular patterns and the students are becoming quite fast at recognising friends of 10 and 20.

Last week the students examined various ways to make $1 and began to write their own money number problems that involved giving change.

**Library News**

Last week we had a great response to returning overdue books. Please remember that library books can be borrowed for a period of two weeks. Just a reminder that students can borrow on their library days as follows:

- **K-1** – Wednesday
- **2/3/4** – Thursday
- **4/5/6** – Friday

Library books can be returned on any day to Mrs Davies.

Thank you,

**Mrs Davies**
Principal’s Address

Congratulations to the girls who participated in the Netball Gala Day yesterday. The girls had a fantastic time, met new people and learnt loads of new skills. Well done to Shaniquea and Tyrell who trialled for the district basketball team. Shaniquea made the team and will represent Northern Rivers at the next basketball carnival.

2016 Swimming Champion

Congratulations to Murron McGregor Shaw on becoming our 2016 Swimming Carnival Champion! Her display of enthusiasm, sportsmanship and determination on the day was inspiring.

School Assemblies

Our School Assemblies are held every second Tuesday at 2pm in the Performance Area. Awards are presented to our students and one class performs at each assembly. If you have time we would love to see more parents attend our fortnightly assemblies. Put the dates in your diaries. The next School Assembly will be held Tuesday 5th March

Life Education

Healthy Harold and the Life Education Van will visit our school on Wednesday 16th March. The Life Education Program is a drug and health education program that empowers our young students to make safe choices. Each year Life Education presents a different topic that helps students to make the right decisions for their own health, safety and relationships. This year Life Education has again agreed to subsidise part of the cost of our visit to enable all students to attend. Permission notes will go out next week. Please sign and return them to the office with the $8.00 if you would like your child/children to attend.

Positive Behaviour for Learning (PBL) Wks 5&6

**Live Life Well**

Confidence Cake to help make at home and at school:
- A large cup of kindness.
- A Handful of TLC.
- 3 Tablespoons of positive feedback.
- A dollop of encouragement and someone who believes in you.

*Lynnlie P, School Chaplain*

**THE RIVERS SECONDARY COLLEGE**

The heart of secondary education for Lismore

**INFORMATION NIGHTS**

for prospective students Year 7, 2017

A GREAT WORLD OF OPPORTUNITIES AT THE RIVERS

By sending your child to a campus of the Rivers Secondary College you have chosen to provide them with the very best available secondary education.

The Rivers Secondary College offers a range of innovative courses delivered by trained industry professionals. These include dance, construction, legal and business studies, agriculture, drama, industrial technology, hospitality, music and engineering. These specialist subjects along with challenging traditional academic subjects offered across our three secondary campuses, will enable your child to experience opportunities beyond what is available in any other secondary school on the North Coast.
